Brian,

Suggestion # 1:

Do not indent paragraph's first lines.

Suggestion # 2:

Your 1st paragraph:

EPA has reviewed data collected related to the 14.24 acre tract of land upon which the "Barge Dock" of the Falcon Refinery Site is located and determined that the Barge Dock will not require further remedial action under CERCLA only.

My suggested 1st paragraph:

The U.S. Environmental Protection Agency (EPA) has reviewed data it has collected that pertains to the 14.24 acre tract of land upon which the "Barge Dock" of the Falcon Refinery Site is located. Based upon the EPA's analysis of this data, the EPA has determined that the 14.24 acre tract of land will not require further remedial action under CERCLA.

Good morning all

Attached is a draft of the letter that I would like to send to Mr. Carroll about the need for no further remedial action at the barge dock. Please take a look and let me know if you have questions or comments.

Thanks
